The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Sakthivel M's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several service tiles. These include 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'IBM Watson Internet of Things Platform' (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution), and 'Build a V Cloud (V' (Upgrade to create your own protected space in the IBM Cloud). Each tile has a 'Getting started' button and a time estimate. Below the 'For you' section, there are links for 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View). The bottom of the dashboard shows a search bar and system status information (29°C Cloudy, 2251, 15-11-2022).
